

4UP PlantTalker

[GrowTech Solutions](#)

888-682-0219

4 / per 8.5" x 11" sheet

- Constructed of weather durable, heavy-gauge LaserTag™ 7.5 PrintMedia
- Micro-Perforated for easy breakdown. Use the integrated clip-on for quick attachment, or an 'elastic string tie' if you prefer.
- Blank on both sides: the internal graphic images and text are printed on-demand, with your Laser/LED printer. Thus, you control the 'look' and the 'conversation' of the PlantTalker to suit your business style and intended purpose. Can be printed on both sides with a Duplex model printer.
- 23.5¢ each (250 sheets) | 17.75¢ each (1000 sheets) | as low as 13.375¢ ([info](#))
- Mock-up examples/samples on following pages.

Can I spend the Holidays at your house?

Amaryllis: Perfect Thanksgiving & Christmas plants!
Brighten your Holiday Home with these unrivaled,
gorgeous flowers.

Cloud 9 Dogwood

Cornus florida, "Cloud 9"

A cold hardy Dogwood that produces abundant, showy white flowers in spring, even on young trees. Considered one of the best dogwood selections.

 Does well as an understory tree, but tolerates full sun.
 Irrigate regularly during summer months.
