

The Strategic Planning Academy

Join John Kennedy in a comprehensive program designed to maximize your people and your profits over the next year – one pebble, one rock and one boulder at a time.

As the economic horizon begins to shift, there is no better time to invest in a strategic plan to retain your top talent, retain your top customers and retain your top dollars. John has facilitated his “Strategic Planning” Program with nearly a dozen of Group Clients and is now opening up his valuable one-year program to our entire membership.

A Service Provider for The Garden Center Group, John Kennedy has crafted a rock solid reputation by delivering the right results in an accelerated manner. John is “the catalyst” for change, growth and innovation.
